1.4.360

a Lesson in the University of The New Covenant

Theodore Cottingham, October 20, 2006 4am. North Kensington, London

www.unc.bz

1. This is the day it begins. Today.

2. I will move in this country as never before. I will shake it as it has never been shaken. I will come in glory, magnificence and splendor the world will marvel at. Stunning success, not; surrender simple makes appearance final, not; finally, beginning. At the beginning not; now. I love you.

3. See what I have said, diminish not; all things begin at me/now. Now being the/the time aforementioned by prophet Joel and magnificent others/words designed to show others/you all the now. I love you.

4. I myself am coming in glory, not; me, I Am, is. I love you.

5. See and diminish not my sayings/wordings about I Am and telling them I Am.

6. Diminish not the importance of any of my design/instructions, desires of my/father's heart, one and the same with yours now being. I love you/you all.

7. This is the time, shaking going on as never before in the history of man coming forth. All that will be shaken will be shaken tremendously, severely, and only that remaining will remain, of me remaining.

8. See what I am saying/describing, told and foretold and telling again for the unbelievers, unsuspecting that such shaking/waves can take place.

9. May, June, here. January and when else I show, tell, reveal. I love you now/forevermore. I love you all. Amen.

10. Thank you for arising, typing, posting early. I love you.

Amen

Me
